Against the said judgment of the Andhra Pradesh High Court, Sri V.Suryanarayana filed S.L.P.No.166-168/2002 and Supreme Court of India passed status quo orders in the reference fifth read above. The Supreme Court of India on 10.11.2008 dismissed the petition filed by the Government for the early hearing of the said S.L.P. which was renumbered as Civil Appeal No.2605-2607/2003 and the matter is pending before the Supreme Court.

In the G.O. 8th read above, the Government issued orders placing Sri V.Suryanarayana, EE under suspension . The individual filed W.P. against the said orders and continued in service basing on the interim orders of the High Court. The High Court in the judgment 9th read above dismissed the W.P. The Government issued orders in the G.O. 10th read above, suspending the individual from service under A.P.C.S.(CC&A) Rules, on the allegation of certain irregularities committed by the individual. The Andhra Pradesh High Court in their judgement 11th read above, while observing that the petitioner is an employee of the Corporation(APFC) and on deputation to the Government Service as on the relevant date

the CCA Rules will not apply and held that the Government have no jurisdiction to place the petitioner under suspension and also without jurisdiction. The Andhra Pradesh Fisheries Corporation is under creditors voluntary winding up and the Liquidator was appointed but he is not appropriate authority to suspend the employee of the corporation.

3) There are six cases pending against the individual on the allegations of irregularities committed by the individual in respect of several works and also on disproportionate assets to the known sources of his income. Therefore, the Government issued instructions in the Memo. 12th read above, to the Commissioner of Fisheries requesting him not to entrust any further works to the Executive Engineer of what so ever nature (plan/Non-plan, maintenance and capital etc.) till further orders. It was also ordered that Sri V.Suryanarayana, Executive Engineer may be strictly prohibited to take any work without prior permission of the Government and this includes E.S.I. and other departmental works. The Government also requested the Commissioner of Fisheries, not to delegate any financial powers to Sri V.Suryanarayana, Executive Engineer. In spite of these orders from Government, the Commissioner of Fisheries in the letter 14th read above reported that Sri V. Surayanarayana, Executive Engineer made direct correspondence with Education Department for allotment of Engineering works to him. The Education Department in the G.O.13th read above, entrusted the work relating to construction, repairs to the buildings of City Grandhalaya Samstha, Hyderabad to the Fisheries Department . An amount of Rs.2.00 crores was released by the Education Department and the said amount was accepted by Sri V.Suryanarayana without the knowledge or prior permission either from the Commissioner of Fisheries or Government. On the direction from the Government Sri V.Suryanarayana returned an amount of Rs.1,18,45,000/- to the City Grandhalaya Samstha duly stating that he has incurred an expenditure of Rs.81.55 lakhs for the Civil works of the said Samstha and the individual has not furnished any details of the expenditure. The matter was entrusted to the Director General,(Vigilance and Enforcement) Department on 11.12.2008 for detailed investigation and submit report to the Government.

4) The Commissioner of Fisheries in his letter 14th read above reported that though the instructions of the Government issued in reference 12th read above were communicated to the Executive Engineer not to take up any further works with effect from May 1st, 2007, the Executive Engineer had been directly writing to various Departments/Agencies/Authorities asking/ requesting for new works in blatant violation of the Government instructions. The Commissioner further reported that Sri V.Surayanarayana, Executive Engineer in his reply admitted his lapse while submitting the proposals to the Hon'ble Minister for Sarvasiksha Abhiyan without prior approval of the Commissioner of Fisheries and requested to condone the same and assured that he will not repeat such mistakes. The Commissioner of Fisheries also reported that the Executive Engineer opened Bank Account to deposit the amount sanctioned by Education department without prior permission from the Government or without specific authorisation from the Commissioner of Fisheries. The Commissioner also reported that the Executive Engineer deserves immediate disciplinary action pending detailed enquiry as previous efforts to keep him off from new works while allowing him to continue in service have failed as he continues to indulge in administrative lapses which are malafide & serious and have serious financial repercussions and also causing serious embarrassment and bringing disrepute to the Department.
